Leadership Through Personal Change

WINTER 2009

Words from the Chair, Consumer Advisory Committee

Cindy White

In November we gave presentations about our goals and reviewed new leadership DVDs. There were also two new members who are getting the hang of **THINK**, **PLAN**, **DO** – what we do to make our dream

goals happen. I want to say how proud I am to lead this great team. It was our **THINK**, **PLAN**, **DO** that did it with help from our coaches and presenters who showed us new ways of doing things. Let's keep up our leadership project and mission. Have a bright, healthy and safe new year.

Beyond our Goal

Congratulations to CAC members who shared leadership DVDs with more than 2,400 self-advocates across California. Call Nicole Patterson, if you are interested in having a CAC member show the DVDs at an advocacy meeting in your community.

LEADERSHIP THROUGH PERSONAL CHANGE

Leadership Project

CAC members are sharing personal success and CAC resources across California.

They have conducted presentations on many leadership topics, from "Finding A Job" to "Leading My Team Meetings."

Soon all 15 of their leadership DVDs and Guides will be available through DDS. Through example, the CAC encourages others to **THINK** for themselves, **PLAN** with their team, and **DO** what they need to live their lives, their way.

New Members

Tracy Mensch manages the AllStar Cafe at Kern Regional Center in Bakersfield. She participated in statewide Senate Bill 1270 meetings and is on the State Council on Developmental Disabilities.

Eugenia Jones is on the Eastern Los Angeles Regional Center CAC. She helped put together their **Guide to**

Healthy Living and is in the new DVD Thinking Ahead: My Life, My Choice, My Life at the End.

Feeling Safe, Being Safe

CAC members Pattie, Debbie, Cindy, Robert, Krisi, Eugenia and Sam became certified trainers to

teach more people how to be prepared for an emergency. They will show people how to use

Feeling Safe, Being Safe tools and put together a home emergency kit.

In December, Krisi and Robert helped train more than 50 staff members from the Office of Clients' Rights Advocacy of Disability Rights California.

For more info about **Feeling Safe**, **Being Safe** training and tools, contact Nicole Patterson.
